

Dear Friend,

Have you noticed that Florida is failing our children? Without a great public education system, our state is depriving our kids, and limiting the future of our State.

**Will you stand with me to demand a high quality education for all of Florida's students?**

Southern Legal Counsel and The Healy Foundation have launched a matching grant, with a goal to raise \$20,000 by April 2016. Visit [www.5forCHANGE.org](http://www.5forCHANGE.org) to learn more about the campaign - and **show your support with \$5 or more! Thanks to the generosity of The Healy Foundation's matching grant, your donation will go twice as far.**

Southern Legal Counsel, a state-wide nonprofit public interest law firm, is representing concerned parents, underserved students, and engaged community members in the process of improving our state's education system. Southern Legal Counsel is challenging state leaders for failing their constitutional duty to provide a **uniform, efficient, safe, secure, and high quality public education for ALL Florida's children.**

Will you join me in supporting their efforts? Visit [www.5forCHANGE.org](http://www.5forCHANGE.org) and **donate \$5 or more for our children's education.**

The case goes to court in March, and **Southern Legal Counsel's victory can mean real, tangible results for improving our schools.** I urge you to take one minute to donate \$5 or more to support the campaign at [www.5forCHANGE.org](http://www.5forCHANGE.org). If we all chip in, it'll go a long way to ensure that Florida provides the high quality education that all of our children deserve.
